INVITATION

100 year anniversary of the Danish Pasteur Society

In honour of The Danish Pasteur Society's centenary, we hope you will join us for an afternoon of celebration at Carlsberg.

For this occasion, we are happy to invite scientists as well as representatives from some of the most important companies and foundations in the field of microbiology.

We hope that this anniversary will mark an ongoing partnership between you and the Danish Pasteur Society in the future.

Please sign up before 23 September 2022.
